

1

Remove existing Exhaust Fan Cover to reveal the unit.

UNSCREW OR UNCLIP EXISTING COVER

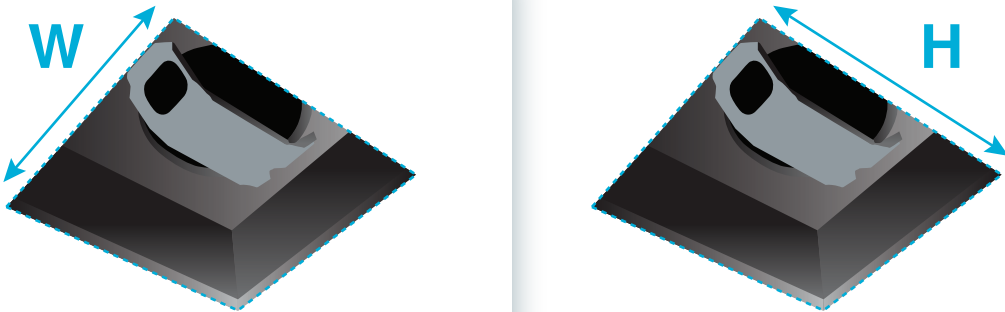

*Once existing cover is removed, ensure that the drywall opening is exposed.

2

Measure the drywall opening based on width and height.

DRYWALL OPENING/FINISHED SIZE DIMENSIONS

3

Refer to the Product Sizing Chart below to identify which Exhaust Fan Cover fits most closely to your sizing requirements. You must determine the accessible opening you require to access your fan unit.

Product Code	Exhaust Fan Cover	Drywall Opening / Finished Size	Slotted Area	Outer Frame Dimensions	Accessible Opening	Depth
